

Volunteer Expression of Interest

Volunteers play a vital role in the Central Coast Marine Discovery Centre. We need responsible people who are interested in the Marine Environment and in making people aware of it. We will give you the opportunity to learn and develop new skills but to help us get to know you, please fill in the details below, letting us know what skills and interests you might have that you wish to contribute to the CCMDC.

- Please describe briefly why you are interested in volunteering at the MDC:

- In particular, are you able to help with any of the following (please write Yes or No):

Guiding small groups		Designing simple science activities for The Lab	
CCMDC Aquaria - Maintaining fish tanks, touch pool		Field volunteers, specialists eg. Rockpool walks	
Helping to coordinate upcoming displays & events (eg. Marine Discovery Talks)		Preparing newsletters & education material	
Education activities (requiring teaching / education qualifications)		Reception (greeting visitors and dealing with money)	
Designing craft activities		Helping to maintain the CCMDC building	

The Centre is currently open 9:30am-3:30pm every day except Public holidays.

I have at least a day per month to offer the Centre and I am able to actively monitor communications, via email and/or sms.
